Ms Zerio said that she is working on the cost with Mr. Sykes. Ms Zerio also mentioned to the board that we will never be a rental facility because all our fields are in constant use with or own programs etc. The council said there is no rush and will keep all fall programs on since they are already reserved for the fall season. Ms Zerio said the council would like to put the policy into effect and adopted by January 2015 and in place by April.
